- „Schufa-Auskunft“:
- **Goal: to give a good impression to be an ideal tenant!**

Make an Appointment for Interview

- Keep on looking for other possibilities at same time, while waiting for feedbacks!

Example letter for Inquiry

Dear Mr./Mrs. (To whom it may concern)

My name is _____. I am coming from _____ and _____ years old.

I have read your rental offering on homepage (or newspaper) and I am very interested about it. I would like to know, is it still available?

This coming October I will start my Bachelor/ Master Study with major "name of your study program" at Technische Universität München (TUM).

Currently I am looking for a long-termed tenancy in/ around Munich. I am nonsmoker and have no pets. I am a quiet, honest and fair person. During the leisure time I would like to _____. To know more about me, please see the attached files in this mail.

Attached files are my resume with photo, confirmation of enrollment, admission letter issued by TUM and confirmation of enrollment, financial means (promissory warranty of my parents, work contract, confirmation of my scholarship) Furthermore I have third party liability insurance and health insurance.

I would like to rent the flat (room/ apartment) upon September (June) and would like to know, if it is possible to make an appointment to visit the flat (room/ apartment)?

I would appreciate your response very much!

Thank you
Sincerely yours

Conclude a Contract

- **Righteousness and Obligation of landlord and tenants** both will be described in the contract.

- **Essential Points**
 - Contracting Party (**landlord and tenants**, name and signature)
 - Contractual Object (Adresse, house number, the size)
 - Limited time or open time

- **Deposit**
 - Security deposit (Reparation etc.)
 - max. three months net rent (rent without heating fee and water)
 - 2-9 Months after finish the tenancy

- **Read contract throughouly, carefully and then sign.**
 - Contract should be **in German** → residence registration and visa extention

Recognizing scams

Most scams involve one or more of the following:

- The landlord is absent and often in another country
- Ask for deposit through Western Union, Money Gram, a money order, shipping or a "guarantee".
- An insistence on communicating via a foreign and family 'lawyer', often one with dodgy credentials.
- An Interview will be cancelled or refused shortly with different excuses
- The feedback is almost always English (even the ad. was in German).

What should you have to do?

- **Insist on meeting landlord/landlady in person** - follow this one simple rule and you will avoid the vast majority of scammers
- **Don't hand over cash or money check /orders** taking possession of the goods/gaining access to an apartment! if so, it should be written also in the contract.
- **The TUM is not involved in any private cooperation or transaction** and does not handle payments, guarantee transactions, or offer "buyer protection" or "seller certification".
- **Never give out financial information**

Guten Tag,

vielen Dank für deine Anfrage! Ja wir suchen noch einen Mieter, aber wir werden aktuell von Anfragen überrannt, sodass wir erstmal die Bewerber selektieren möchten. Anschließend könnte man sich telefonisch über die Wohnung austauschen und einen Termin ausmachen.

Da wir nur an Studenten unsere günstigen Wohnungen vermieten und leider immer wieder Arbeiter oder Beamte versuchen dieses Angebot auszunutzen, bräuchte ich folgende Unterlagen von Ihnen:

- Personalausweis Kopie Vorder/Rückseite
- Studienbescheinigung
- Informationen über Einkommensquellen- ggf. Nachweise
- voraussichtliche Miet- und Studiendauer mit Leistungsnachweisen falls vorhanden

Schicken Sie mir die Daten in hoher Auflösung bitte zu mit Ihrer Telefonnummer. Ich werde Sie dann schnellstmöglich telefonisch kontaktieren.

Mit freundlichen Grüßen
