### Women of TUM

Hey, hallo and welcome! We are the Women of TUM – an inclusive, lively network for all women\* affiliated with TUM. We are female students, researchers and industry professionals who regularly gather for events and meetups to connect across continents, generations, hierarchical levels and disciplines. It is our aim to provide a platform for the incredible women of TUM, that increases our visibility in the public eye, strengthens the role of women in the working world, and thus establishes role models for future generations.
