Who We Are

TUMJA at a Glance

SCHOLARSHIP PROGRAM

TUM: Junge Akademie is a 20-months program for exceptionally talented and dedicated students interested in research.

The program is open for students from TUMJA's partner universities.

PASSION FOR SCIENCE

Working on a scientific project in an interdisciplinary team is the core element of the program.

VIBRANT NETWORK

TUMJA provides its scholarship holders with an extensive network: Over 600 alumni, various experts from industry and numerous professors as well as Emeriti of Excellence.

Personal Development

Project development
in an interdisciplinary
team, accompanied by
tutors and supervisors

**Workshops and
events**
