

Pilot program TUM Learning Professional | CareerDesign@TUM | Factsheet

OVERVIEW

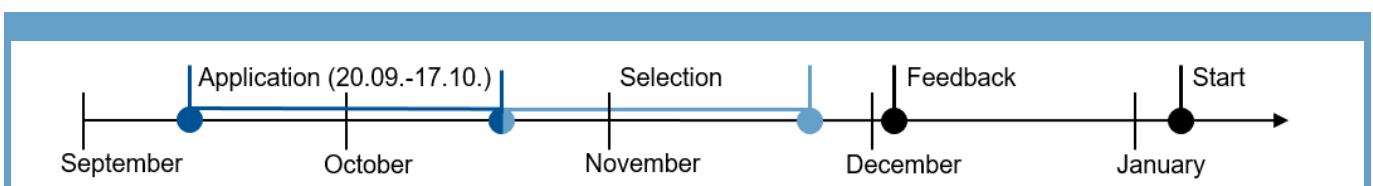

The Pilot program TUM Learning Professional...

- ...is aimed at committed and experienced lecturers (usually holding a PhD).
- ...focuses on competencies for innovative (digital) teaching and academic further education.
- ...strengthens the ability to create modern learning opportunities and to accompany learners.
- ...contains learning-on-the-job elements to ensure the training transfer and work relevance.
- ...is flexible in the delivery of the qualification elements and thus part-time and family-friendly.
