Working regulations by the immigration authority

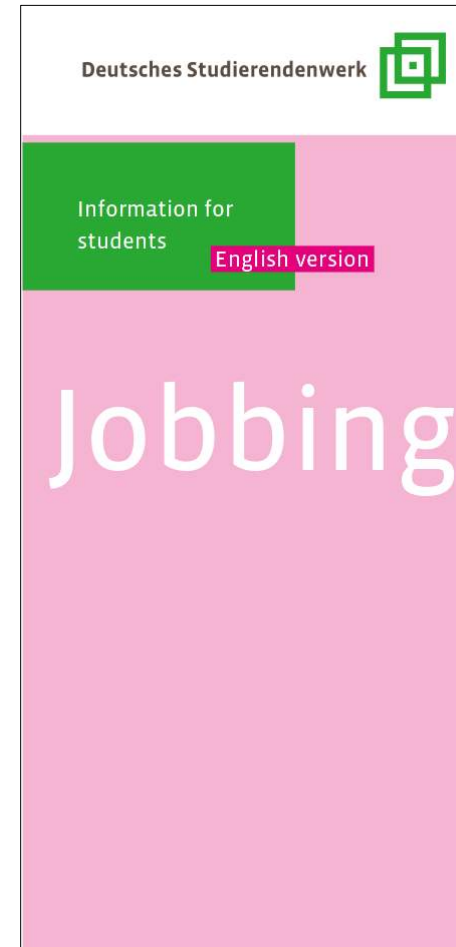

The screenshot shows the official website of the City of Munich (muenchen.de). The header includes the logo and navigation links for CityHall, Events, Culture, Leisure, Sights, Hotels, Transportation, Jobs, and Living. The breadcrumb trail indicates the path: City of Munich > Immigration > Study and research. The main heading is 'Study and research', followed by a subtext: 'What's required to study or do research in Munich? Infos on recognition of qualifications, academic and student life, research options and contacts.' Below this, the section 'Services for students and researchers' is displayed, featuring two images: a man speaking at a podium in a lecture hall and a woman sitting on a bench reading. A sidebar on the right titled 'Seiteninhalt' lists: Services for students and researchers, Specific resources, Munich schools, and Academic perspectives.
