Information for students regarding participation in face-to-face examinations during the CoViD 19 pandemic  
Status 04.06.2020

What do I need to know before registering for an exam?

What do I need to know on the day of the exam?

Preparations at home
- **Mouth-and-nose cover (MNC)**  
  Students without an MNC will not be permitted to take part in the examination.
- **All necessary work materials**  
  Be sure you bring everything you will need with you! For hygienic reasons, the sharing of work materials, such as pens, calculators, etc., is strictly prohibited.
- **StudentCard**  
  Do not forget your StudentCard. As in all examinations, you will need it for identification and seat placement.

Before the exam
- **Arrive early**  
  Please plan to be at the examination location approximately 20-30 minutes before the examination begins, as hand washing, identification and seat assignment will require more time than usual.
- **Wash your hands**  
  You must wash your hands thoroughly before you will be permitted to enter the examination room.
- **Maintain distance**  
  A minimum distance of 1.5 m must be maintained between any two persons before, during and after the examination. Seating assignments will be made accordingly.
- **Mouth-and-nose cover**  
  You are required to wear the MNC when entering or leaving the examination room and when minimum distance cannot be maintained. We recommend that the MNC be worn at all times.
- **StudentCard at hand**  
  Have your StudentCard out and ready to show in order to expedite the identification and seating process. Examination proctors will be drawing up a seating chart at the beginning of the exam to facilitate contact tracing should it become necessary.

After the exam
- **After the examination: Wash your hands thoroughly.**
- **Do not remain on TUM premises and continue to observe minimum distance requirements.**
- **Examination rooms are professionally cleaned on a regular basis.**

Finally, throughout the examination: You are to comply with the instructions of examiners and proctors and observe the notices in both the waiting area and examination room.

Thank you! **Good luck on your exam!**
