

Technische Universität München

**Application for preliminary inspection documentation (Vorprüfungsdocumentation - VPD) to the service centre for international university applications ("Arbeits- und Servicestelle für internationale Studienbewerbungen - uni-assist e.V.) for applicants with foreign certificates**

In order to apply for a place on a Bachelor or Diplom course at TUM, you must first have your foreign education certificates inspected by the external service provider **uni-assist e.V.** To do so, please fill out this application form and send it along with officially authenticated copies of your certificates (secondary school certificate, also university certificates if you have any, university entrance examination, both in the original language and in translation and a copy of your passport) to:

uni-assist e.V.  
11507 Berlin

Please note that a fee is due for the VPD which must be transferred to the bank account of uni-assist. The documents will not be inspected by uni-assist until you have transferred the fee. For further information see <http://www.tum.de/en/studies/before-your-studies/application-and-acceptance/uni-assist/>

In addition to sending your application to uni-assist, you must apply for a place at TUM in the correct form and in adherence to the set deadline. Here an online application is necessary: for the winter semester this can be made from May 15th to July 15th and for the summer semester from November 15th to January 15th. You will find further information on applications by consulting our homepage: <http://www.tum.de/en/studies/application-and-acceptance/>

We wish you all the best for your application!
