„Less is more? Empowering individuals to focus on the essentials“

Call for Projects #class2023

Call for Projects

"Less is More? empowering individuals to focus on the essentials"

- "Less" means questioning, "decluttering" supposed "musts",
- reflecting ... what seems to be really "set" and "carved in stone", by whom and why?
- ... which paradigms steer us and possibly have become superfluous, respectively need to be revised?
- ... how do we have to rethink behavior, wealth and well-being?
- ... what are the concepts that ensure security, sustainability, individuality, mutual respect and livelihoods?
- ...

INSIGHTS FROM MEMBERS

Example project - Proactivation

Proactivation

„We try to examine the link between procrastination and its impact on the mental health of students. We decided to create an online course in order to help students reduce their struggle with procrastination.“

„Currently we are building the course platform and started the production of our educational videos...“
