EuroteQ virtual course catalogue

○ **45** associated partners

Six strong Universities of Technology and 45 associated partners together form the EuroTeQ Engineering University.

Emerging from the EuroTech Universities Alliance, taking on board two excellent partners TalTech from Estonia and CTU from the Czech Republic.

Anchored in diverse geographical and cultural contexts, each partner with their corresponding eco-system provides added value and a competitive advantage to the EuroTeQ cooperation.

The goal is to ensure a strong integrative link with different cultures and traditions of engineering education across Europe.

EuroteQ virtual course catalogue

- **104 virtual courses** at all EuroTeQ partner universities (WS 2022/23)
- Completely English-language course offering (except language courses)
- Participation **free of charge**
- Participation in up to **three** courses per semester
- Received of a course certificate after successful completion
- Possible recognition of achievements

EuroteQ virtual course catalogue

Prerequisites and selection criteria

- Enrollment at TUM before and during the entire course
- Knowledge of the language of instruction
- Fulfillment of the respective course requirements (e.g. academic year)

Application period for Summersemester 2023:

probably October/November

www.international.tum.de/euroteq or
www.euroteq.eu

- Complete online application for a virtual course
- Selection and acceptance by coordinator of partner university.

Thinking Green – Climate Friendly Stay Abroad
