Entrepreneur Susanne Klatten**

**START
UP
YOUR
FUTURE**

Biggest Open B2B Startup Platform with Corporate Partners like Allianz, Bosch, BMW, Daimler, Facebook, Google, Intel, SAP, Siemens

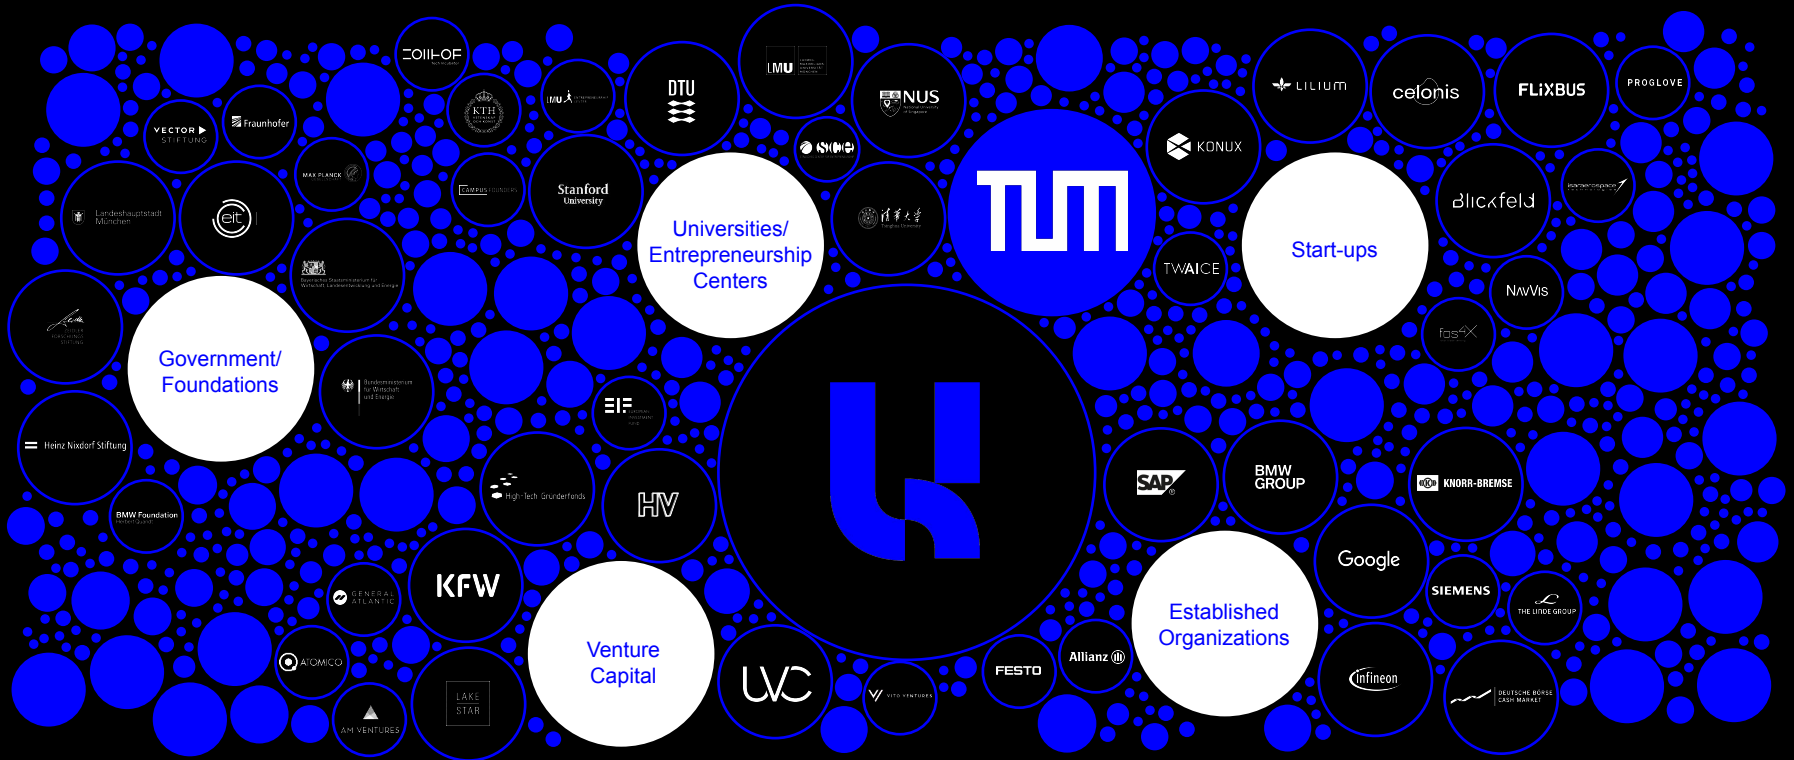

High Performance VC Fund with over EUR 200M under Management - Cooperation with Leading Global VCs like Accel, atomico, GA, Lakestar and NEA

Part of TUM - Technical University of Munich, Germany's Number One Technical University

We Bring Together a Community that Creates Lasting Value

FlixBus

FlixBus is a globally active mobility service provider. Under its brand names FlixBus, FlixBus and FlixBus Mieten, it offers new travel alternatives that are comfortable, economical and environmentally friendly.

Founders: Jochen Engert, Daniel Krauss, André Schwämmlein

Impact

European market leader with
over 60M customers and over
2000 destinations

Touchpoints

UVC Partners

KONUX

The KONUX system is an end-to-end solution which uses IIoT sensors and artificial intelligence to improve network availability, extend asset lifetime and reduce costs. It continuously monitors and analyzes the health of key switch components such as the track bed and frog, and provides actionable recommendations.

Founders: Max Hasler, Dennis Humhal, Andreas Kunze, Vlad Lata

Impact

Reduces delays caused by
infrastructure (maintenance) by
20%

Business Plan Basic Seminar

“BPG has not only met, but even exceeded our expectations and has contributed a great deal to our professional as well as our personal development. Thus, we can only encourage everyone, regardless of whether they have a great idea in mind, or just entrepreneurial ambitions, to join the seminar and thus to start their own, awesome BPG journey — It is worth the effort!”

From First Idea All the Way to IPO: Our Entrepreneurship Funnel

A high-angle, blue-tinted photograph of a group of students in a workshop or classroom. They are gathered around a table, working on a project. One student is standing and pointing at the table, while others are seated or kneeling, looking at the work. The table is covered with various tools, materials, and a large sheet of paper with diagrams. The background shows more tables and chairs, suggesting a larger workspace.
